

### **The trap of animals**

One day, in a wild forest, a fox was caught in a strong trap as she was hunting a mouse. She started shouting:

*-“Please help, please..”*

Many animals heard her voice and some of them came to see what was going on.

At that moment a big pig with shaking head went close to the fox and told her:

*-“Why do you shout and make noise? Has not the hunter yet come?”*
